# What I Learned

- \* Buildings can last 2,000 years!
- \* Italians eat dinner really late (8-9pm)
- \* Opera is actually pretty cool
- \* Making pasta is fun but messy
- \* Gelato is the best invention ever

# My Favorite Memory

Watching the opera at the Arena at night.  
Everyone lit candles and it looked like magic.  
There were elephants on stage (fake ones)  
and the singing was SO loud!

# Thank You!
